## Dear Friends:

Twenty-five years ago, I promoted my first Irish theme cruise. We sailed out of New York Harbor joined by 80 passengers and some of New York's finest musicians. While I had been promoting other Irish events, I had absolutely no idea of the organizational skills required for successful cruising. We were all novices on this incredible voyage, as this was also a first cruise for my guests. The ship was small, our staterooms quite plain, but the entertainment was first rate and the dining experience truly indulgent.

We were assigned a small lounge on the ship to host our Irish entertainment. Let me tell you that we had so much fun, we were the envy of every other passenger onboard. We danced the nights away, enjoying the Siege of Ennis, Jiving, Polkas and Old Time Waltzes. We ended each night on a high with our beloved anthems. I recall returning home with hundreds of names given to me by other passengers who wanted to be notified of my next Irish cruise.

This is how it all started so many years ago, with 80 passengers and the business grew steadily to a level that required the chartering of entire ships. Over the years, I have gained a vast amount of knowledge on how to improve the cruising experience. However, I remain steadfast to my own vision "simply envision the type of quality and service that I would expect and don't offer anything less to my customers". My philosophy is to offer my guests the 5-star experience from the moment they step on the pier for embarkation.

On entering the terminal for check-in, your first experience will be the lilt of Irish music. Each guest is personally greeted, followed by a champagne reception. You already having so much fun and this is just at check-in. It is heartwarming to watch the smiling faces and the joyous anticipation exhibited as each guest is ready to embark. Once onboard ship, a fabulous lunch is offered, followed by the sail-away party. As it nears time for us to leave port, Irish and American flags are flying high in the air. Tommy Flynn gives the best rendition of Ireland's 32 you have ever heard. To capture the magic the Captain blows the ships horn three times. The mood is electric and we are on our way for the cruise of a lifetime!

I now charter Holland America's vista class ships annually, catering up to 2000 passengers. Most of my business comes from "word of mouth" and passengers hail from all over the world. I am truly blessed and would like to again express my thanks to all of my guests who sailed with me over the past twenty-five years. Should you choose to join us on this 25th Anniversary cruise, you are sure to meet up with some old friends that you have met along the way on a Gertrude Byrne All Star Irish Cruise!

## The ms Westerdam

Defining the future of cruising, the ms Westerdam is the third in the Holland America line of grand Vista-class ships. The MS Westerdam dazzles guests with more of everything they desire on a cruise ship: more state-rooms with verandahs for private dining, sunning and relaxing; more dining choices from black-tie dinners to casual pool-side dining; more ways to be pampered in The Greenhouse Spa and Salon. The largest and most luxurious spa in our fleet. This spectacular cruise ship delights guests with an unforgettable onboard experience.

### The Vista Dining Room

The Vista Dining Room is a two-tiered dining venue that provides one of the finest 5 star dining experiences at sea, offering everything from continental cuisine to vegetarian and lowcarb options. Five-course menus, created daily and seldom repeated, are enhanced by impeccable service and an extensive wine list. Don't miss out the amazing Royal Dutch High Tea or the Chocolate Dessert Extravaganza. Enjoy breakfast or lunch in a more casual atmosphere on the Lido Restaurant, now transformed into a culinary courtyard surrounded by windows with spectacular views of the Caribbean. On top of all of that, room service is available 24 hours and your dining pleasures are included in your rate.

### The Greenhouse Spa and Salon

The Greenhouse Spa and Salon is a sensuous treat for all five senses, offering massage and a wide variety of luxurious treatments, including couples' message rooms, a dry float suite, thermal steam and aromatic room, hydrotherapy pool and relaxation area. You can work out on all the latest exercise and weight-training equipment or take a Pilates class at the Fitness Center. Or you can simply relax on a heated ceramic lounge and enjoy the glorious scenery.

### The Atrium

At the heart of every Vista-class ship is a specially commissioned signature sculpture suspended in a three story atrium.

### No other 7 day cruise can offer these enchanting ports of call.

The tropical islands of the Eastern Caribbean are some of the most beautiful in the world. From the charm of Holland America's own paradise island Half Moon Cay, Bahamas to the delightful islands of St. Croix, in the US Virgin islands to Grand Turk in Turks & Caicos to San Juan, Puerto Rico. Traveler's sailing into these tropical Islands whether by silvered yachts or gilded cruise ships, pause and gaze in astonishment at the turquoise waters and magnificent scenery.

### Embark/Disembark Port Everglades/ Ft. Lauderdale, Florida

Embarking in Port Everglades, Ft. Lauderdale, enjoy a Champagne reception and the sounds of great Irish music upon check-in. As you go onboard you will be greeted with a lineup of cabin stewards to escort you to your cabin which is only a hint about the service you will experience throughout the voyage.

### Grand Turk, Turks & Caicos Islands

In February 2006 the Carnival Cruise Centre opened its doors in Grand Turk. This village type setting has now been completed to include the new Margaritaville. The concept reflected by Margaritaville Grand Turk is indicative of the kind of lyrics that Jimmy Buffett sings about. The island itself, Grand Turk, is the capitol of the Turks and Caicos Islands, which is significantly derived from historical connections with Bermuda. The newest addition to the Jimmy Buffett family, and the first Caribbean project outside Jamaica has been built in Grand Turk. Just minutes from the port in Grand Turk you come upon the newly built village. The colorful centre offers direct beach access, boasting crystal clear blue waters and mini spa services, with duty free shopping. Take in the beautiful view of the magnificent swimming pools and ocean. But there's still a place for those who want to slow the pace of life. Come see for yourself. We know your experience on this beautiful island will be nothing short of grand.

### Charlotte Amalie, St. Thomas & Virgin Islands

States Virgin Islands and the most popular cruise port in the Caribbean. Charlotte Amalie (named for a Danish Queen) is where the ships dock and the white and pastel houses are heavily sprinkled against a background of emerald hills. Colorful sloops dock along the waterfront, and a few steps back, down alleyways

lined with old Danish warehouse buildings. St. Thomas is one of the world's top cruise ports. Its lofty popularity is earned because St. Thomas offers something for just about everyone. Its duty-free shopping scene is relatively unparalleled – and because St. Thomas is an American port, U.S. travelers get an extra duty-free allowance from customs. Other on-the-beaten-track sites include the world-famous Megan's Bay and a scenic tram ride to a mountain-top. But it's also amazingly easy to find some respite from the inevitable crowds by exploring St. Thomas' quieter, more undiscovered side – a lovely historic district, trips to Water Island, north shore beaches, fabulous restaurants in Frenchtown and an easy jaunt, via 20-minute ferry, to tranquil St. John. While in St. Thomas take time out to visit the island of St. John.— it's a lovely and enchanting island that is noted for its unmatched natural beauty, its tranquil peacefulness and its outstanding homes and villas.

### Phillipsburg, St. Maarten & Netherlands Antilles

St. Maarten/St. Martin – a vacation paradise of Dutch, French and Caribbean flavors. The island of St. Maarten is the smallest territory in the world shared by two sovereign states. Its only 37 square miles, but is shared by the Dutch and the French. The Dutch side is known as St. Maarten, the French side St. Martin – offer a little European culture along with a lot of laid-back Caribbean ambience. Water sports abound – diving, snorkeling, scuba, sailing, windsurfing, and more. With soft trade winds cooling the subtropical climate, it's easy to while away the day on one of the 37 beaches or try your luck at one of the 13 casinos. The island is well known for its shopping, gambling and beautiful beaches.

### Half Moon Cay, Bahamas

Truly one of the most beautiful settings in the entire Caribbean. This privately owned 9.2 acre tropical island has over one mile of ocean front, white sand beaches, and crystal clear turquoise water. A secure and secluded hideaway undiscovered by the masses. Located on the second largest barrier reef in the world, with snorkeling and scuba diving off the beach, as well as wonderful fishing. Lush tropical foliage with nearly a mile of paths meandering through palm trees and exotic plants. Stop by the Market Square where an Irish party is in full swing. Dance to the great sounds of our Irish bands performing live under the gazebo. What a glorious setting, sunny skies, turquoise waters, palm trees with your cruise ship serving as a backdrop and you having the time of your life. Whether you want to parasail, snorkel, stroll barefoot on the beach, lie in a hammock beneath a palm tree or gain insight into Bahamian history and culture, you'll find it at Half Moon Cay.
